INTRODUCTION

Final-year Bachelor of Information Technology (Media Informatics) student with a consistently strong academic record (3.73 CGPA). Passionate about 3D modeling, game development, digital media design, and interactive multimedia. Capable of leveraging programming languages and creative software to build engaging digital experiences, from 3D action RPGs to immersive VR applications. Actively seeking a 6-month industrial training placement from 20 September 2026 to 19 March 2027 to contribute technical proficiency and creative design skills to a dynamic team.

EDUCATION

UNIVERSITI SULTAN ZAINAL ABIDIN (UniSZA) BESUT

Oct 2023 - Present

- Bachelor of Information Technology (Informatics Media) (Hons.)
- CGPA: 3.73 (Dean's List on Semester 1 - 5)
- Expected graduation March 2027

SEKOLAH MENENGAH AGAMA MAIWP (SMA-MAIWP) KL

Jan 2017 - Feb 2023

- Pentaksiran Tingkatan Tiga (PT3) : 8A 3B 1C
- Sijil Peperiksaan Malaysia (SPM) (Pure Science) : 5A 5B 1C
- Sijil Tinggi Agama Malaysia (STAM) : Jayyid Jiddan

SKILL & LANGUAGE

- **Programming & Web:** C#, Python, HTML, CSS, PHP, SQL
- **Creative & Development Tools:** Unity, Blender, Adobe Photoshop, Adobe Illustrator, Canva, CapCut
- **Productivity:** Microsoft Office (Word, PowerPoint, Excel)
- **Language:** Malay - Native, English - Fluent

PROJECTS

SCHIZOMIND VR (FYP)

- Developed an educational VR application simulating schizophrenia using complex auditory and visual distortion mechanics.
- Successfully enhanced user empathy and awareness of schizophrenia, validated through pre- and post-experience symptom-check questionnaires.

C.U.R.E. (3D ACTION RPG)

- Teamed to design and develop boss fight mechanics for a 3D action RPG.
- Programmed and debugged C# scripts in Unity to ensure smooth gameplay and character interactions.

CARPENTER'S SHED (3D ISOMETRIC DIORAMA)

- Modeled and textured a highly detailed 3D diorama, utilizing mirror modifiers, screw modifiers, and asset instancing to optimize workflow.
- Applied realistic texturing, lighting, and environmental storytelling to create a compelling "work-in-progress" narrative.

CLEANING ROOM (3D ANIMATION)

- Developed a cohesive 3D animated sequence featuring environmental interactions, utilizing technical skills in keyframing, timeline animation, and character mechanics.

LEADERSHIP & INVOLVEMENT

Committee Member Off-Campus Student Committee, UniSZA Besut - Media and Publicity Committee Member - Assisted in designing posters, taking photos, recording videos and editing media.	Dec 2025 - July 2026
Program Committee & Facilitator UniSZA Volunteer Club - Organize and execute a cultural games event for local students at MRSM Besut. - Directed specific interactive game modules, acting as the primary announcer to communicate rules, guide participants, and maintain an energetic atmosphere.	8 June 2024

WORK EXPERIENCE

SEKOLAH RENDAH AGAMA MUS'AB IBNU UMAIR - Guru Lantikan Sekolah (GLS) - Facilitated classroom learning and managed daily educational activities for students.	Feb - Aug 2023 July - Sep 2025
KAFA AL-ANSAR TAMAN SRI RAMPAI - Guru Lantikan Sekolah (GLS) - Delivered structured lessons and maintained an organized learning environment.	July - Sep 2024

CERTIFICATES

Micro-Credential: Fundamental of Commercial Photography, UniSZA Mastered visual strategy techniques to produce high-quality digital assets optimized for social media marketing and promotional campaigns.	
Micro-Credential: Camera, Composition & Lens Selection, UniSZA Developed technical proficiency in manual camera exposure controls, focal length management, and strategic lens selection across diverse shooting environments.	
Short Course: Motion Capture Technology, Kolej Komuniti Selayang Gained hands-on experience in tracking, capturing, and processing real-world human movements into digital data for character rigging.	
Short Course: 3D Animation Development Technology, Kolej Komuniti Selayang Developed technical skills in keyframing, timeline animation, and character rigging mechanics.
